## WRIGHT GETS A FULL PARDON

FORMER PUBLIC WORKS DEPARTMENT'S CHIEF CLERK IS A FREE MAN.

B. H. Wright is now a free man, fully pardoned and restored to citizenship. Governor Carter issued the pardon, taking effect yesterday, after much investigation of the case. Wright had nearly a year more to serve. There is a quite general impression that Wright saved other parties concerned in public works embezzlements, by keeping his own counsel, and that he did not have the benefit of the money embezzled. Wright was incarcerated on March 3, 1903, on conviction of embezzlement of Public Works funds, under sentence of four years' imprisonment. His term would have expired with costs accounted, on March 18, 1907, had he not been pardoned. There were good conduct credits in his favor which would have reduced his time.

## NEW AUSTRALIAN STEAMSHIP LINE

FRANK WATERHOUSE WILL COMPLETE ARRANGEMENTS OF NEW AUSTRALIAN LINE.

SEATTLE, June 20.—To perfect the details of the establishment of the new line between Seattle and Australia, Frank Waterhouse, vice president of the Boston Steamship Company, will leave for London next month to confer with the English syndicate who are to furnish the ships for this run. Mr. Waterhouse stated that at least four vessels was established, and it was probable that more steamers would be put on the run if the company has the crafts to spare from other runs. He also stated that all preparations were being made to inaugurate the service this year.

"I have been working on this new line for the last two years," said Mr. Waterhouse, "and when in London in 1904 I took the preliminary steps to have it inaugurated. At this time I cannot make public all our plans as the details have not as yet been completed. I can, however, say that we feel that the line will be in operation before the end of this year."

The plans are for a monthly sailing from Seattle to Sydney. The vessels will also touch at the various Australian ports in the vicinity of Sydney, calling at Melbourne and possibly including New Zealand on their route. All shipping men agree in the statement that this will open up a wonderfully rich market for the Seattle products, and that by including Honolulu and other points in the Hawaiian Islands on the return trip Seattle would offer sharp competition to any other Pacific coast shipping port.

## DEATH OF MRS. ESTHER JACKSON

WAILUKU, June 29.—Mrs. Esther Jackson, an adopted sister of Mrs. A. N. Kepoikal and Mrs. George Weight, died suddenly at the home of Mrs. Alulu last Sunday afternoon as the result of a stroke of apoplexy.

She had been enjoying excellent health and her death was a surprise to all. The funeral, which was held from the Church of the Good Shepherd, was largely attended, and as there was not even standing room many were compelled to stay outside.

Rev. Canon Ault officiated at the funeral and the local police acted as pall bearers.

Several hundred people followed the hearse to the grave and many beautiful flowers were brought by friends who wished to show their high esteem for the deceased.

Mrs. Jackson was a widowed lady and since the death of her husband has made her home with her adopted sister, Mrs. A. N. Kepoikal.

She leaves one son, Alonzo Jackson, who is now working on Kauai.—Maui News.

### TO STUDY ROADS.

Aboard the S. S. Miowera is a man who is going to the Colonies on a special mission for the American government. Williams is his name and he is a newspaperman of Washington. He is going for the purpose of studying the government system of operating railroads in Australia and New Zealand. He will look into the traction system as well as the railroad system.

### SMALL DAMAGES.

Sailor Howard had his case of damages against Mate Maloon of the barkentine Lahaina tried in the district court Saturday. Howard claimed \$100 damages for an alleged assault that the mate had committed on him. The court returned a verdict of \$5 and costs. The Lahaina is to depart this afternoon for Seattle, in ballast.

## JAPANESE TRAGEDY AT PAHOA, PUNA

JAPANESE WOMAN—MURDERED AND SUPPOSED ASSAULTED—IS NEAR DEATH.

HILO, June 28.—Kawa Kukumasa, wife of Moto Kukumasa, a Japanese living at Pahoa, Puna, was murdered some time on Tuesday afternoon and her supposed assailant, another Japanese named Kanamoto, is seemingly nearly dead as the result of self-inflicted stabs in the stomach.

Kukumasa, the husband of the murdered woman, is detained in the mean time as his connection with the tragedy if any, has yet to be established.

When the hands returned from the cane fields on Tuesday afternoon they found the woman weltering in her own blood in the little house she occupied. The body was cold and stiff, death having been due to a stab in the throat which severed the jugular vein. Kanamoto was found, still conscious, but with a stab in the stomach.

Sheriff Keolanui of Hilo was at once notified and in company with a Japanese officer he drove to the scene of the crime. Kanamoto is said to have made a complete confession. He was brought to the Hilo hospital under guard.

It is said the woman was sold some six months ago by Fukumasa to Kanamoto with her consent, but that, tiring of the transfer, she made up her mind to return to her lawful husband. She informed Kanamoto of this, but his ideas on the matter differed from hers so much that he resorted to a knife to impress them on the unfortunate woman.

There is every reason to expect that the murderer will not die as the result of his attempted suicide.
